Kensington

MicroSaver® Custom Keyed Twin Notebook Lock - Master

Master Access allows one master key to open all locks

K64187FM

Product Description

The Custom Keyed Twin MicroSaver® is optimal for any business or institution. Custom keyed solutions give you more control over equipment while safeguarding employees from notebook and data theft. The Master Access solution gives each user their own key and gives the IT manager a master key to open all locks.

Features

- Hidden Pin™ technology ensures tubular locks cannot be picked offering the highest level of security
- Tamper Evident™ technology alerts you that someone has tried to steal your device
- Anti-Shear™ technology protects against intrusion by force
- 7.5-ft, 5.5mm thick cable
- Built-in defense system guards against lock tampering
- Patented T-bar lock provides superior lock strength and theft protection
